

Curriculum Vitae for Ivana Cvijanovic, PhD

Email: ivana.cvijanovic@ird.fr

Professional Experience:

01/05/2024 – present	<u>Research Scientist</u> French National Institute for Sustainable Development (IRD), Montpellier, France
23/11/2020 – 30/04/2024	<u>Assistant Research Professor - La Caixa Junior Leader Fellow</u> ISGlobal – Barcelona Institute for Global Health, Barcelona, Spain
01/12/2018 – 22/11/2020	<u>Research Scientist - Beatriz de Pinos Research Fellow</u> Barcelona Supercomputing Center (BSC), Barcelona, Spain
12/01/2015 – 21/09/2016	<u>Postdoctoral Researcher</u> Atmospheric, Earth and Energy Division Lawrence Livermore National Laboratory (LLNL), Livermore, California, USA
03/01/2013 – 01/09/2014	<u>Postdoctoral Researcher</u> Carnegie Institution for Science, Stanford, California USA and Niels Bohr Institute, University of Copenhagen, Denmark
05/11/2012 – 31/12/2013	<u>Visiting Research Scholar</u> Carnegie Institution for Science, Stanford, California, USA
01/10/2010 – 01/10/2011	<u>Visiting Research Scholar</u> University of California Berkeley, Berkeley, California, USA

Education:

15/09/2008 – 02/05/2012	<u>Ph.D. in Atmospheric Sciences</u> Niels Bohr Institute, University of Copenhagen, Copenhagen, Denmark
01/08/2006 – 29/08/2008	<u>M.Sc. in Applied Environmental Geosciences</u> Faculty of Geoscience, Eberhard-Karls University, Tuebingen, Germany
01/09/2001 – 17/03/2006	<u>Diploma in Physics, Meteorology and Env. Modeling</u> University of Novi Sad, Novi Sad, Serbia

Teaching:

Climate and Health (BSc course), Department of Medicine, University of Vic, 2021/2022/2023

SO International Spring School on Advanced Methods in Global Health, ISGlobal, March 2023 – coordinator and lecturer for the Climate & Health session: “Impacts of climate change on human health and future livability”.

SO International Spring School on Advanced Methods in Global Health, ISGlobal, April 2022 – coordinator and lecturer, Climate & Health session: “Impacts of climate change on human health and mortality”.

ISGlobal’s Environmental Epidemiology seminar, Barcelona, Spain, November 2021 – lecturer.

SO International Summer School on Advanced Methods in Global Health, September 2021 – lecturer for Planetary Health

ISGlobal’s teaching seminar for UAB Environmental Program students, February 2021 – lecturer.

Climate Change course, University of Belgrade, Serbia, May 2018 – Guest lecturer

PhD course “California Hydrology” (2016), University of California, Berkeley – Guest lecture

Geophysics 3, University of Copenhagen, fall semester 2008 - teaching assistant.

Numerical methods, University of Copenhagen, spring semester 2009 - teaching assistant

Supervision:

Postdoctoral researcher supervision, ISGlobal – Barcelona Institute for Global Health:

Dr Desislava Petrova 2021-2023; Dr Patricia Tarin-Carrasco 2020-2021

MSc project scientific advisor, ISGlobal – Barcelona Institute for Global Health: Maria Gali Reniu 2020

PhD student secondment project supervision, Carnegie Institution for Science, Stanford: Rasmus Pedersen 2014

BSc and MSc student co-supervision: Copenhagen University, 2013 and Carnegie Institution for Science, Stanford, 2014

Fellowships and Grants Awarded:

2016 Lawrence Livermore National Laboratory Research Grant 17-ERD-052: Integrating Climate Model Simulations and Paleodata to Constrain Future Drought Risks over California. Role: Principal Investigator.

2017 Beatriu de Pinós Research Fellowship by the Government of Catalonia. Role: Principal Investigator.

2019 La Caixa Junior Leader Research Fellowship. Role: Principal Investigator.

2022 Horizon Europe Grant HORIZON-CL5-2023-D1-01-02: Exploring Tipping Points and Their Impacts Using Earth System Models (TipESM). Role: member of the consortium, responsible for Tasks 7.1 and 10.2.
